The Hansen Herald

7th & 6th Grade Religion

This week finds us encountering one of my favorite holy months of the year: The Month of the Rosary and focusing on Our Lady! This past Saturday, October 7th, was The Feast of Our Lady of the Rosary, therefore, it is only fitting that we should focus on her holiness these coming days. The rosary can benefit anyone at any stage of spiritual life from beginners to advanced, and teaches various types of prayer including vocal, meditation and contemplation. This week both grades will be learning some background on the rosary and praying one.

I will only be at the first day of conferences and hope to meet many new faces. These children exceed my expectations continuously and I couldn't be more proud!
