11/26-11/28	Thanksgiving Break
11/30	First Week of Advent Assembly
12/8	Christmas Program
12/9	4th Grade Mass
12/11	Maker's Mart
12/18	Christmas Party/Early Dismissal

Research Project

Our class is working on an exciting research project! Students are researching an endangered animal, its habitat, what it eats, and the special adaptations that help it survive. They are also learning why their animal is endangered.
Students will share their research through a presentation next Thursday and Friday.
Ask your child to share some of the interesting facts they have discovered. We can't wait to see what they teach us!

What We Are Learning

Math: Long Division

Religion: Unit 2: Jesus, Our Lord and Savior

Read-Aloud: Sign of the Beaver

ELA: Unit 2 Adaptation–Project

Science: Claim, Evidence, Reasoning

Social Studies: Thanksgiving

Shamrockin' Auction

I know it may seem a little early to start thinking about our spring auction, but with how quickly this school year is flying by, it will be here before we know it!

Our class will be putting together a basket titled "Read and Relax," featuring items that encourage cozy, relaxing moments spent enjoying a good book.

With the holiday shopping season approaching, there are often great deals and fun finds along the way. If you happen to come across anything you think would be a great fit for our basket, I encourage you to keep it in mind! There is no need to purchase anything right away, but keeping an eye out for items during holiday sales could be a great way to get a head start. I will be putting together an Amazon list over Thanksgiving Break.

Thank you in advance for your help and generosity!

To know and live our faith. To lead and serve by example. To achieve success as lifelong learners.
