Upcoming

Important Policy Reminders: This is a good reminder as we head into a busy season where deadlines get lost in the shuffle or absences happen due to illness!

Homework/Classwork Policy

Assignments not turned in on time will result in a 10% deduction per day the assignment is late, up to a 50% deduction (5 days late). After 5 days, this results in a lunch detention in which the student will complete the missing work. If the classwork is not completed during that time and reaches the 10-day late mark, an after school detention will be issued. If a student reaches this 5 day mark for 3 separate assignments, an after school detention will be issued.

Late assignments will be marked as such in Powerschool and will be calculated into a student's grade for the purpose of determining eligibility for extra curricular activities. Any incomplete work at the end of the quarter will be given a final grade of 50%.

In the case of absence from school, students have the same number of school days to make-up assignments as the number of missed days.
