

Our Classroom News

What's Happening This Week: 11/16-11/20

- 11/18 - Spelling Pre-Test
- 11/20 - Spelling Test
- 11/20 - Nonperishable food items due for Thanksgiving basket

A note from Mrs. True

Hello!

I hope you are all doing well. We have been preparing for virtual learning the past few weeks. This is only out of precaution. I want students to be comfortable with Google Classroom. You will notice more Chromebook assignments and less paper assignments. This will be a learning experience for all of us, so please reach out with any questions or concerns you have with virtual learning. Have a HAPPY THANKSGIVING next week!

-Chloe True

A Peek At What We Are Learning

Reading/
Language
Arts

We are reading "Crinkleroot's Guide to Knowing Animal Habitats." Students will take a reading test Friday over comprehension, grammar, and vocabulary. Their spelling and vocabulary words are on the back of the agenda paper.

Writing &
Cursive

We are still working on lowercase letters. We are continuing to work on the 6 traits of writing.

Math

We are beginning chapter 4 over multiplication. Students need to begin practicing their multiplication facts at home.

Religion

We took the Chapter 8 Test today and pretended we were at home so it would be similar to an e-learning day. We will start Chapter 9 tomorrow and finish with the test next Tuesday just in time for Thanksgiving Break. All assignments are always in Google Classroom and on the Chapter Slide.

Science

We are continuing science! Students are learning about physical science this week!
