- 2/26 - Stations of the Cross
@ 2:15

A note from Mrs. True

Hello!

- It is almost standardized testing time. This year your child will take both the iLearn and iReady tests. We are preparing for these tests by working on test taking strategies and reviewing material we have learned in 3rd grade.
- You may notice some review homework coming home over the next few weeks.
- Have a great week. Hopefully all the crazy weather is past us for the winter!

-Chloe True

A Peek At What We Are Learning

Reading/
Language
Arts

Students should be at 70% of their A.R. goal by Friday. We do not have a reading story this week. We are reviewing unit 3.

Writing &
Cursive

We are almost finished with the lowercase letters. We are working on developing opinion writing skills.

Math

We will finish chapter 7 over division. Our test will be next Tuesday. We started our multiplication facts tests with I's today. Keep studying for the ice cream sundae party!

Religion

We will continue talking about making good choices and the Lenten Season. We will test on Chapter 15 on Thursday. Lenten Rice Bowls are going home in the Monday folders. Please encourage your child to participate in this Lenten sacrifice. Return Rice Bowl after Easter Sunday.

Social Studies

We are working on a Native American in-class activity to wrap up what we have learned.
