Week of: 8/25-8/29

A Note From Mrs. True

Hello,

This week we are starting our classroom economy, where students can earn paychecks or receive fines based on their behaviors. I'm excited to see how this system encourages them to give their best effort each day at school. Students will also have their first tests and quizzes this week, so please be on the lookout for those. Have a wonderful week!

-Mrs. True

Remind

In Monday folders, you'll find a paper with instructions for joining our Remind app. This app makes it easy to contact me with quick questions or messages, and I'll also use it to send reminders and updates. It's a simple, reliable way for us to communicate, especially if you ever have trouble sending messages through PowerSchool.
