- 27 Choir Placement Mtg. 3:15-4:30
- 28 V-ball @ Lighthouse Christian
5/ 6:00 MS: 7:00
- 31 School Mass SVDP Church 10:30 am

»» Reminders

Please remind your child to check their backpack each night for homework and important papers. Students should turn in assignments in a timely manner.

Our class is working towards creating a more positive environment for learning. Kids will be rewarded with Dojo Island time daily for good behavior.

*If you would like your child's diagnostic results, please message me.

»» Supporting Your Student at Home

- Practice weekly spelling list.
- Build reading habits (read together or discuss books they read)
- Support math-thinking (use real-life examples: cooking, shopping and measuring)
- Encourage students to try on their own before stepping in.

»» Our Learning

- We're writing stories (narratives) with a beginning, middle, and end. We are learning how to add details to make our stories appropriate for our audience.
- We're practicing subjects/predicates.
- We're noticing different ways to spell the long "a" sound (ei, , ai, ay, a-e) and using those patterns in our writing.
- We're practicing regrouping when adding large numbers, as well as borrowing in subtraction.
- Students continue to practice place value using word, standard, and expanded forms.
