Social Studies

6th- This week we will be starting the last major unit of the book which details all the parts of South America. This unit will carry us to the end of the year. For this first chapter we will be looking at the geography of the region itself. We will be working on a small brochure project as well which will be due Thursday. If you need anything at all please reach out@colej@svsbedford.org

7th- We will be starting chapter 18 of the textbook and begin to analyze the history and cultures of Southeast Asia with particular emphasis on the peoples of these places and their religions. If you need anything at all please reach out @colej@svsbedford.org

8th- We will be starting off the week with a test over chapter 15 of the textbook. For the remainder of the week we will start looking at chapter 16 which discusses the Mexican American War and how the United States gained California and Texas as states. Please reach out if you need any help at all @colej@svsbedford.org.

6th Science- We will be starting our ILearn review this week and will start going over Earth and Space content that would have been covered at the beginning of the year. We will continue doing this until the students are ready to take the ILearn Science exam.

Media 6,7, and 8

6 - We will be reading chapters 7-8 and doing a house challenge that deals with creativity.

7 - We will be doing a project on Greek Mythology over the next two weeks.

8 - 8th grade will begin analyzing various films of different genres and the life lessons they can teach us.

"Be strong and courageous. Do not be afraid; do not be discouraged, for the Lord your God will be with you wherever you go." Joshua 1:9
