A Note From Mrs. Terbrock

Hello Parents!

I hope you had a great Fall Break! All first graders met their AR goal for the first quarter! Thank you for the support and effort you're putting in for your children. Please find your child's new goal and reading level in their daily take home folder.

Conferences-November 4th is an eLearning day and will also be utilized as our Parent-Teacher conferences. Please fill out the pre-conference form in your child's Monday folder and return by 10/25. I look forward to meeting with you all at conferences.

Halloween Party

October 31st is our Halloween Party. A big thanks to Mrs. Hawkins and Mrs. Bland for planning the first grade party! Students will be able to bring in their costume and put it on for the party. Costumes should not be gory, too scary, or include weapons.

Happy Birthday!
