

Mrs. Plocher's Class Newsletter

This week in 1st Grade:

Reasons we are thankful:

We will be talking about our many blessings these next 2 days and the true meaning of thanksgiving; being grateful for those around you!

I challenged the class that for homework tonight, they should tell the people in their home why they are thankful for them! There is nothing to "turn in", just something nice to set off this week!

Balloon's over Broadway

We are going to talk about the Thanksgiving Day parade! The history and how they make their balloons. Students will then create their own balloons and do a parade around the school along with the second grade class!
