Week of: 4/13-4/17

## A Note From Mrs. True

Hello,  
Over the next two weeks, our focus will be on ILEARN and testing. We will also be spending time on social studies and science since those subjects are not tested. There will be no homework during this time.  
Thank you for your support!  
-Mrs. True

## Multiplication Scoops Party

Congratulations to all students who passed their multiplication "Scoops" test—great job! 🎉  
These facts are so important for future math success, so please continue practicing to keep those skills strong. We're excited to celebrate with our ice cream party this Friday!
