Week of 10/5

Learning Focus

Reading/Writing

- Students will review syllable patterns, word blends, word families, roots, prefixes, and suffixes.
- Students will also review theme, characters and plot.
- Students will write a rough draft of a how-to article.

Math

- Students are learning that multiplication can be done in any order.
- Students will review place value, rounding, adding and subtracting three digit numbers, and solving problems with coins and bills.

Religion

- Students will retell Jesus' miracle of the loaves and fishes.

Social Studies

- Students will be able to answer questions about a map while using a map legend.
- Students will identify the midwest states and major lakes.

Science

- Students will review what we have learned about with weather.

Reminders

- We are taking our first ILearn Checkpoints of the year this week. Please ensure that your child is here. These are to monitor where they are at with certain ELA and Math standards.
- The nine weeks ends this Friday. I have been entering grades, and I have been getting students caught up on missing assignments.
- Please check daily folders for important papers, notes, or homework.
- Please keep toys at home. This includes fidget toys, stuffed animals, etc.
- Please encourage independence with your child's homework.
- Please make sure your child is following dress code.

Tests

- There will be no: spelling test, quiz over story, and progress check.
- Reading Skills Quiz on Thursday
- Math Quiz on Thursday over multiplication
- Science Quiz on Thursday
- Social Studies Quiz - Identify the Midwest States and Lakes

AR Goal Met

This is the last week for your child to meet their AR goal. I will be offering your child to stay in for recess to read or retake AR tests.

Upcoming Dates
