What Are We Learning?

- ➗ **Math** – Fractions—adding and subtracting with unlike denominators; finding the LCM.
- 📖 **ELA** – Novel study: *James and the Giant Peach*; closed syllable spelling, adjectives, and compare/contrast writing.
- 🌍 **History** – Students are learning about the American Revolution and the founding of our country.
- ✝️ **Religion**—Lent

Thank You & Looking Ahead!

Thank you for making our Valentine's Day celebration a success! The kids had a wonderful time and so many memories were made. I am so thankful for each and every one of you and the support you have poured into our classroom/students this year.

As we look ahead, we're getting excited for our upcoming Shamrockin' Auction! We're currently working on our class project and themed basket, and we would love your help to make them amazing. If you're able to contribute items, supplies, or time, it would mean so much to our class.

Note from Mrs. Richardson

We have been busy in our classroom! Students are working hard on building their understanding of fractions, diving into our novel study of *James and the Giant Peach*, and strengthening their cursive writing and reading skills. I'm so proud of the effort and focus they are showing each day!

As we continue through the semester, please encourage your child to stay on track with their Edmentum Pathway, AR reading goals, and iReady lessons. Each of these accomplishments comes with its own personal rewards, and they are wonderful opportunities for students to grow academically and celebrate their progress.

Thank you for your continued support at home—it truly makes a difference!

To know and live our faith. To lead and serve by example. To achieve success as life-long learners.
