Note From Ms. Allen

I hope you all had a very restful Fall Break. We are launching into the 2nd quarter, and I'm excited about the growth I know our students will continue to make. As we move forward, we'll be making a few changes in the classroom to give students more opportunities to work independently, build confidence, and take ownership of their learning.

New AR goals have also been set, so encourage your child to jump right in and get reading! Getting an early start will help them stay on track and work toward meeting their goals.

We also have some Halloween fun coming up! Our classroom Halloween Party will be next Friday. Be on the lookout for more information coming soon with details about the party.

Thank you for all you do to support your child and our classroom. I'm looking forward to another wonderful quarter of learning, growing, and making memories together!

To know and live our faith. To lead and serve by example. To achieve success as lifelong learners.

Bring Religion Home

As a family read about how to be a Christian citizen in 1 Peter 2:13-17. After reading answer the following questions: What is the will of God? How does following God's rules make you free? If you could choose one way to do good in the world, what would it be? What is a good choice you have made? What helped you make the right choice?
