10/12-16	Fall Break

Maker's Mart

This week, students can bring in their creations for our Maker's Mart! Students will have the opportunity to "shop" their classmates' creations using class cash they earn for completing classroom jobs each week. 🌱

Each maker should:

- Bring in a creation they would like to sell.
- Set a price for each item.
- Create a fun price list to display at their store.

We can't wait to see what our creative makers come up with! 🎨✨

What We Are Learning

Math: Multiplication 1 digit by 3 and 4-digit numbers

ELA: Unit 2 Adaptations: Informational Text

Religion: Conscience and Making Good Choices

Science: Energy/Systems

Social Studies: Reading maps/Indiana landmarks

Note From Ms. Allen

The first quarter of the school year comes to an end this week! I am busy finalizing grades, so please encourage your student to check for and turn in any missing assignments as soon as possible.

With the end of the quarter and testing happening this week, we won't be introducing much new material. Instead, we'll use our time to fill in learning gaps, review important skills, and complete our goals for the quarter.

Thank you for your continued support as we wrap up a great first quarter! 🎉

Testing Tips

Testing tips: Read carefully, take your time, show your thinking, and always do your best! If you get stuck, take a deep breath and try your best strategy. 💪

Get plenty of sleep the night before, and eat breakfast to keep those distracting tummy grumbles away. 😊
