8/18	Parent/Teacher Night
8/25	School Pictures

➤➤ Tips for Success

 **Independent Reading – 15 minutes:** Encourage your child to choose a book they enjoy and read independently for at least 15 minutes each night. Reading for pleasure helps build vocabulary, comprehension, fluency, and a lifelong love of reading.

 **Multiplication Fluency Practice:** A few minutes of practicing multiplication facts each night will help your child become more automatic and confident with their facts. Flash cards, fact games, or quick oral practice are all great options!

 **Spelling Practice:** Reviewing our weekly spelling words regularly will help students feel prepared and confident.
