9/29–Book Fair Begins

»» Reminders

Students should regularly come home with a “Finish Folder”--please regularly check folder for graded assignments, unfinished class work, and other study materials for the week.

»» Supporting Your Student at Home

Encourage your students to find time for reading. Each student has his/her own personal AR goals and should be working toward reaching that goal. It is a great opportunity to introduce your child to more complicated reading in the form of chapter books. Allow students to choose stories of interest. You may read a chapter aloud to help your child engage.

»» Our Learning

Math: We are continuing to practice rounding multi-digit whole numbers to various place values. We will begin multiplication of whole numbers later this week

ELA: Students are writing personal narratives, reading/analyzing elements of realistic fiction, and learning simple, compound, and complex sentence structure. Our spelling list consists of words with the long “i” sound.

Class Read-Aloud: Where the Mountain Meets the Moon by Grace Lin
