**April 2nd-April 5th**

**Student of the Week: Allie Turner**

## CLASSROOM NEWS

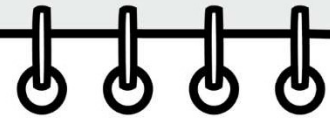

We will be finishing chapter 10 on angles and identifying figures this week in Math and taking our test on Thursday. We will also be taking our U. S. map quiz on Thursday. Students will be locating each of the states on the map. We have been using Seterra.com to study for this. We are also continuing to work on our poetry books this week.

**Language Arts-Poetry & Figurative Language**

**Social Studies-Begin State Slides**

**Science-The Rock Cycle**

**Math-Angles & Units of Measurement**
