March 25th-March 29th

Student of the Week: Cameron Banks

## CLASSROOM NEWS

I hope everyone enjoyed a break away from school. This week we will be starting geometry in Math and poetry in Language Arts. We will be looking at figurative language and how that relates to poetry. We are also finishing our Influential Women slides in Social Studies and will be taking our U.S. map test next week.

**Language Arts-** Poetry & Figurative Language

**Math-** Chapter 10: Two-Dimensional Figures

**Social Studies:** Study for U.S. Map Quiz/Slides

**Science:** Rocks & Minerals

## REMINDERS ILEARN TESTING

ILEARN testing will begin in 4th grade on Tuesday, April 16th and run through May 2nd. It would be wonderful if you could schedule any upcoming appointments for your child outside of school hours during this testing window.

Thank you!
