NOTE FROM MS. CURL:

Today we welcomed Mrs. Henson as our classroom aide. We are very happy to have her! Tomorrow is picture day at SVS. Students can wear non-uniform clothes. Also, if a student has a dressy outfit to wear for pictures, they are able to change at an appropriate time after pictures. Our new ELA curriculum has some pretty difficult spelling words. I am working on different ways to practice those spelling words throughout the week so that it is beneficial for the students.

CURL STORE:

Thank you to those who have already donated. The kids love the store. They can use their classroom money that they earn for good behavior and for doing their jobs to shop at the "Curl Store". I have some stuff leftover from last school year, but I would love to have more items for the students to buy. If you are willing and able, we could use your donations. Send in items at anytime. Thank you!
