## AUCTION:

The 5th grade auction basket is "baby love". This includes anything to do with babies. You can start sending items in at any time. Ideas: diapers, baby bottles, pacifiers, stuffies, gender neutral clothing items.

For our classroom project, I will have the students paint a section of an Adirondack chair with paint pens. I would also like to include items for smore's to go along with the chair. If you are able, send in items for smore's. Graham crackers, marshmallows, chocolate bars, roasting sticks, anything that you'd use for smore's.
