NOTE FROM MS. CURL:

Fifth grade's community basket was a hit! The Fire Department was so happy to receive the gifts and cards. Thank you for helping to make that successful! Fifth grade will be painting an Adirondack chair as our classroom project that will be in the school auction. Are there any parents who would like to volunteer to come in to get this activity done? I would love to get this completed sooner than later. Please let me know. Our field trip is tomorrow! See additional letter.
