NOTE FROM MS. CURL:

Our first quarter ends this Friday, October 10th. I will be working with a few students to get a few makeup assignments completed. Please reach out to me if you see anything abnormal on your student's grades report in PowerSchool. This week the students will be taking their first ILEARN checkpoint tests of the school year. They have no reason to be stressed! Please note that I will be gone during the week of October 27th – October 31st. I know this is not ideal, but Mr. Moore will be in 5th grade and he does a great job. I will be able to check emails and messages a little bit, but not consistently. I just wanted to give parents a heads up about that change. Mrs. Tabitha Fletcher is our room parent. She will be in charge of the Halloween party and she will have information about that as soon as she is ready.

5th GRADER FACTS:

Social Shifts

Around this age, peer approval becomes almost as important as parent approval. But studies show kids still consider parents their **#1 role models**.
