NOTE FROM MS. CURL:

There are no spelling words this week! Our new ELA curriculum has some pretty difficult spelling words and with the short week, I'm giving them a break. We are still going over the spelling words in class, I'm just not testing them on the words this Friday. There was a letter sent home about math support. If your student needs extra math support, I will be reaching out to you specifically.

The kids earned an all class reward for good behavior. I will be buying them donuts this week!
