Aug 10 – Aug 14

NOTE FROM MS. CURL:

Welcome to 5th grade! I am Ms. Lori Curl. This is my sixth school year at St. Vincent. This is my third year teaching 5th grade. We had a great first three days of school. I am so happy to have each and every one of your children in my class this year. They are a great group of kids. This will be a great year! Last week we settled into our routine a little bit. The students learned how our classroom operates each day and what I expect from them. Every student has a job in the classroom. This really helps me during the day and the kids always enjoy doing their jobs.

LEARNING:

Religion: God's Creation.

The Trinity.

St. Augustine.

Math: Place Value. Decimals.

Multiply and Divide by 10s.

ELA: Informational Text. Narrative Writing.

Social Studies:

Maps. States. Capitals. Latitude and Longitude.

Science:

Matter

MASS and RELIGION:

We have mass every Wednesday morning and Friday morning. Students cannot wear shorts to mass. They can bring shorts and change after mass. 5th grade practices the rosary a lot throughout the school year and we lead the rosary at the church on special mass days. If your child has a rosary that they would like to keep in their backpack, locker, or desk, that would be great! They can bring it in at any time. If your child does not have a rosary. I have a classroom set so they will have one to use when we need them.

ST. V IMPORTANT DATES:

August 10 - Band Petting Zoo 3:15pm

August 18 - Parent/Teacher Night

August 25 - Picture Day
