NOTE FROM MS. CURL:

We are halfway through our first grading period. Please check your students' grades. I am aware of a few students that need to redo a few assignments. I will get to those as quick as I can. Every student can log into PowerSchool on their Chromebooks and check their own grades. I have seen several students have brought in a rosary, that is great! I have some that they can borrow as well. If your student has a rosary that they would like to bring in, they can do that at any time. Usually, they keep them in their backpack or in their desk. We have started practicing reciting the rosary.
