Sept 14 – Sept 18

NOTE FROM MS. CURL:

There will not be spelling words this week. Each unit of our curriculum has 6 weeks. The 6th week is a project week. This week they will be researching a country. They will be researching the culture, language, holidays, food, currency, transportation, and other characteristics that make the country an exciting travel destination. Later in the week students may be able to take Chromebooks home to work on this project. We will see how far we get during class time.
