# **The Pangburn Progress**

To all Parents,

Hello. I look forward to continuing to work together to give our students the best education possible. I want us to work together as a team, so you can contact me anytime through Jupiter, or at my email [pangburnr@svsbedford.org](mailto:pangburnr@svsbedford.org) I hope that people who need help will reach out.

The Journalism Club has made great progress. They have conducted interviews, and have also made a short message to their teachers, about homework on the weekends.

<https://www.youtube.com/watch?v=IEW0o1sAZSM>

I hope that all of the 8th grade had a wonderful weekend. This week they will be analyzing the battles of the War of 1812 in Social Studies. In English, 8th grade is going to be covering the uses of the comma, and they will be exploring how communication can overcome differences.

I hope that 7th grade had an amazing weekend. This week they will continue their Unit over Egypt by plundering Egyptian tombs.. In English they will continue their unit over the moments that test us.

I hope 6th grade has had a spectacular weekend. In English Language Arts, the students will be focusing on the idea of personal best. In Social Studies, students will continue to explore the Western half of South America.

# Thatcher Times

## Math

Freckle: [www.student.freckle.com](http://www.student.freckle.com)

**6th:** We will be studying equations this week.

**7th:** We will be working on inequalities.

**PreAlgebra:** We will start a new unit over linear relationships.

**Algebra:** We will be focusing on multiple ways to solve systems of equations and inequalities.

## Science:

**6th:** We will be looking at the properties of waves.

**7th and 8th:** We will be looking at cell division, both mitosis and meiosis.

## Homeroom:
