Thatcher Times

Math

Freckle: www.student.freckle.com

6th: We will be studying equations this week.

7th: We will be having a test over inequalities today and then starting a unit on statistics.

PreAlgebra: We will continue working on linear relationships and have a quiz on Thursday

Algebra: We will continue our study of systems of equations and have a quiz on Thursday.

Science:

6th: We will be looking at the properties of waves. Vocabulary test is on Friday, project is due Monday of next week, and the test will be Tuesday of next week.

7th and 8th: We will be looking at cell division, both mitosis and meiosis. Vocabulary quiz is on Friday, project is due Tuesday of next week, and the test is on Wednesday of next week.

Homerom:

If you have not yet sent pictures for the scrapbook and slide presentation, please get those in as soon as possible.

Next parent meeting is January 27 at 5:30pm.

We will be putting together a baking basket for the auction. Some ideas for donations would be baking pans, baking mixes (cake, brownie, muffins, etc..), spices or seasoning. I will be sending home a recipe card with each student in Monday folders next week. Please contribute a favorite family recipe to add to the basket.

Questions? You may contact me at thatcherh@svsbedford.org or by phone at 812-279-2540

The Pangburn Progress

To all Parents,

Hello. I look forward to continuing to work together to give our students the best education possible. I want us to work together as a team, so you can contact me anytime through Jupiter, or at my email pangburnr@svsbedford.org I hope that people who need help will reach out.

The Journalism Club has made great progress. They have conducted interviews, and have also made a short message to their teachers, about homework on the weekends.

<https://www.youtube.com/watch?v=IEW0o1sAZSM>

I hope that all of the 8th grade had a wonderful three day weekend. This week they will be testing over the battles of the War of 1812 in Social Studies. In English, 8th grade is going to be covering the latin roots of words, and they will be exploring how communication can overcome differences.

I hope that 7th grade had an amazing three day weekend. This week they will finish their Unit over Egypt by taking a test on Friday.. In English they will continue their unit over the moments that test us.

I hope 6th grade has had a spectacular three day weekend. In English Language Arts, the students will be focusing on the idea of personal best. In Social Studies, students will finish exploring the Western half of South America. They will have a test on Wednesday.
