

Kindergarten News

August 25th – August 29th

What We Are Learning This Week

Religion: Creation

Friendzy: Partnership Power, Eph. 4:16

Reading: I Can!

Letters: Ss – Zz

High-Frequency Words: I, can

Skill: Identifying Parts of a Book

Math: Numbers 0-5

Writing: I Can Illustrate!

Social Studies: How do I get along with others?

- AR Testing is **FINALLY** up and running. Because we had such a delay, I would like to change our plan slightly. For the first 9weeks, we will be adjusting our goals to "How Many Books Read". Each child should read at least 15 books this 9weeks. I will be adding a chart in your child's green folder that you can fill out each time you read a book. When they reach their goal, they will earn a prize from our prize box!
- Students were able to "adopt" their pet on Friday! They are so excited to begin their adventures together. We have pulled together a "Pet Supply Store" that students will be able to shop this Friday. This will have food, decorations, toys, and more! A **BIG THANK YOU** to the Mathis family for sending in a huge supply of "mini" items we can use for our store.!
- Just a reminder if you arrive after 8:00am, your child is considered tardy. If you arrive after 8:05am, you will need to use Entry 1 and sign your child in at the office. Please do not send them through Entry 2 after 8:05.
- Field trip forms for our Bedford Public Library trip will come home today in folders today. We will be riding the TASC bus to and from this trip and will not have any parent chaperones attending.
- If you plan to chaperone our Bledsoe Farm you will need to complete the **Safe Parish** training that can be found on our school website. The code for our school is Archindy2021. Please let me know if you have questions!
