- AR goals have been reset for the next 9 weeks. Each book is worth 0.5 points. Their points earned will be determined by the number of questions they get correct. For example, if they earn an 80% on a book quiz, they earn 0.4 points for that book.
- Our Auction Basket theme this year will be: "Gardening Essentials". As you shop in the next few months, be on the lookout for anything that can fit this theme! I have added a wishlist on Amazon to help with ideas. Please take a look and see how you can contribute! https://www.amazon.com/hz/wishlist/ls/1HHMHZ7NDKN5L?ref_=wl_share
- The 100th day of school is next week! Students may decorate a shirt to show 100 items, or dress as if they are 100 years old! I will also be sending home a baggie that should be filled with 100 items. We will use these to show what the number 100 looks like! You could add cheerios, legos, toothpicks, marshmallows, small toys, etc. Please have your child sort the items into groups of ten and count by tens when adding them to their baggie.
- Catholic Schools Week is also coming up soon! This week will kickoff at an all-school Mass and include activities like BINGO, no uniform days, and a talent show! Please be on the lookout for more information about this special week!
- There is a Variety Show during Catholic Schools Week that our class will be participating in. We are working on an act and I will be sending out costume needs this week. Students may also sign up to perform an act of their own! It is always a fun time and a great way to build community within our school!
- I will be sending out a sign up for winter conferences soon. If I feel that we need to meet and you do not sign up for a conference, I will reach out to you. This conference is to address any concerns I have about your child's progress, but can also be used as a time to address any of your concerns or to get a quick look at your child's progress! If you have no concerns, you do not need to schedule an appointment with me.
