- Graduation RSVPs should be returned by May 8th. This helps me plan for seating and refreshments.
- Students will be bringing their readings home this week. Please help them practice. There are some difficult words this year!
- If you have any pictures you've taken on field trips or at our classroom parties, please share them with me! I am putting them together for an end of the year video to share at graduation.
- Kindergarten students were invited to join grades 1-8 for their Spring Program this Tuesday at 2pm! All are welcome!
- Some of our countdown events will allow students to bring things from home or dress out of uniform for the day. Please see the info below:

**May 3rd Show-and-Tell:** Students should bring in one item that is special to them to share with the class.

**May 6th Beach Day:** Students can wear beach attire to school. This includes shorts, beach hats, sun dresses, sunglasses, leis, etc. They may also bring a beach towel and a floaty to sit on for the day!

**May 7th Stuffed Animal Day:** Students should bring a stuffed animal from home.

**May 8th Relay Day:** Students should wear their uniform to school to attend Mass. We will change after lunch and enjoy relay races with our PK friends! Students will likely get wet, so you might send sunscreen and a towel. They can change back into their uniform before dismissal! Tennis shoes and socks are required.

**May 12th Class Picnic:** Students should bring a towel or beach blanket to sit on while we enjoy lunch together. It is recommended to pack a lunch that day, but school lunch will be an option.
