**Story:** What's The Big Idea, Molly?

**Spelling:** Ending Blends, -lf, -lk, -lt

**Heart Words:** Review

**Vocabulary:** decide, opinion, ragged, marvel, grateful

**Skill:** Sequencing

**Math:** Numbers 11-100

**Science:** Plant Growth

## HOLY WEEK

- Amelia made her AR goal last week! Great work!
- AR goals were slightly higher this 9 weeks. Please make sure you are reading with your child each night and sending in the book when they are ready to take their AR comprehension test. You may also write this in their green folder.
- Thank you to all the chaperones that were able to join us on the trip. It was such a great trip and I think everyone had fun!
- Students may wear shorts on all days except Mass days (typically Friday).
- We will begin practicing for our graduation soon! Students will be assigned a job for the Mass and will be expected to work on their part at home. We will also practice multiple times in the church prior to our big day!
- Easter Monday (21st) will be an e-learning day. I will be sending home a small packet on Friday for your child to complete while they are at home. This will be used to determine attendance for the day.
- The last 10 days of school will be used as our "Countdown to First Grade." We will participate in multiple special activities during this time frame. Please be on the lookout for a special flyer that will have more details! I will also be looking for a few donations and helpers for our "Field Day" event.

## Important Dates
