- Brigg, Ivan and Meredith made their AR goals already this 9 weeks! Great work!
- Thank you for signing up to meet with me last week! I was so impressed with the dedication you all have shown to your child's success in the classroom.
- Students can bring in valentines for their classmates. Please put them in a baggie with your child's name so we can easily identify them. Students will spend time during the party passing out their valentines to their friends.
- We will have our Valentine Party on Tuesday February 13th. We will begin at 1:15pm and will dismiss at 2:30pm. Please make sure to send in any items you signed up to donate! Thank you for helping make our party a success!
- This Friday our kindergarten class will be participating in a hearing screening.
- Please keep in mind that our class will be putting together a themed basket for the auction this year. Our theme will be "Picnic at the Park." If you see any items while out shopping that might fit this theme, feel free to grab them! March will be here before we know it! The sign up will be sent with our weekly email.
- Sight word booklets will be coming home today in green folders. Please work on one list at a time. When your child is ready for IA, please send an email or note so we can test them on it. They will also be working on these in class. Once they earn a sticker on both lists (I and A) they will get to pick a prize.
