Thank you all for working so hard to support your child's learning last week! I know it can be difficult, but I was impressed at the number of students who completed their work each day, and even completed some of the extra practice activities online.

- Beckett, Isabella, Mason and Mary all made their AR goals last week! What a wonderful use of your time at home!
- If you signed up to send in items for our Thank You Basket, please send those in this week. We will still honor our community organizations by sending them cards and a basket of goodies! If you have not signed up to send anything, you can sign up using the link in our weekly email.
- Our Auction Basket theme this year will be: "Gardening Essentials". As you shop in the next few weeks, be on the lookout for anything that can fit this theme! I have added a wishlist on Amazon to help with ideas. Please take a look and see how you can contribute! - The Variety Show has been postponed. We will continue practicing our rendition of "Old MacDonald". Students will not need to bring in their farmer outfits until the morning of the show. I will communicate as soon as I have the reschedule date.
- Winter Conferences begin this week. If you signed up to meet with me, you will check in at the office and they will call to let me know you have arrived. Please arrive 5 minutes early so we can begin on time. I am using my break times throughout the day to meet, so we will need to finish up on time as well. If you feel that we need an extended time, you can let me know and I will work with you to find a time slot that would work best.
- April 17th is our kindergarten screening. Current Kindergarten students will not be attending school that day so we can use our classroom for the screening.
