Writing/Science: Animal Research Project

- Cordelia Fields and Drew Hassler made their AR goals last week!
- Field trip forms are due this Friday. Please make sure to return these on time! Money and driver forms will be due at a later date.
- Please make sure to send a water bottle with your child each Monday. We will send it home on Fridays to be washed.
- Shorts may not be worn until after Spring Break. I have seen a few wear them the past few weeks, but we will wait a few more weeks.
- Students should bring a sweatshirt or jacket with them to school as the weather starts to get warmer. Our recess is fairly early in the morning and it can be a little chilly at times.
- AR goals should be met by March 14th.
- I will be sending home a "Flat Stanley" character this week. This is a fun activity students can do over break. Please have your child decorate Stanley to match the weather or where you are traveling and have your child take pictures with him on their adventures! We will put up a bulletin board in the hall and use a map to show where he traveled!
