May 13th: Afternoon Dance Party

May 14th: Board Game Day

May 15th: Kindergarten Graduation
8:15am

May 19th: 8th Grade Buddy
Graduation 5:30pm

Thank you so much for the sweet gifts and messages I received last week during Teacher Appreciation Week. Marta and I felt very loved.

*Thank you for trusting us with the academic and spiritual growth of your babies. We tell the kids every year, once they are "adopted" into our Kindergarten family, they will **ALWAYS** be family. We will truly miss the precious group of students as they move forward to first grade.*

- **Isabella, Briggs, Harlon, Beckett, Liam, Cooper, Elijah, Tucker and Diego made their AR goals this 9 weeks! The final day to make their goal is May 11th (Monday).**
- On Friday, students should arrive at 7:45am. Families can head to the church to find a seat in the designated "guest" areas. Kindergarten Graduation will be held in the church at 8:15am. Kindergarten students will lead Mass, followed by a graduation ceremony. We will end our time together with an awards ceremony and refreshments in the gym. After the reception, students will be released to their parents to begin summer break!
- For graduation, students should wear their "Sunday best." This means no jeans or shorts. Hair should be fixed for a graduation cap to be easily placed on their head. Girls who wear a dress should wear shorts underneath. Sleeveless dresses should be worn with a sweater or jacket.
- Some of our countdown events will allow students to bring things from home or dress out of uniform for the day. Please see the info below:
 - **May 12th Class Picnic:** Students should bring a towel or beach blanket to sit on while we enjoy lunch together. It is recommended to pack a lunch that day, but school lunch will be an option.
 - **May 14th Board Game Day:** Students can bring a simple board or card game from home to share with the class. Please label the game with your child's name so we can return it to the correct family.
 - **May 15th Graduation:** Students should wear their "Sunday Best".
- Our 8th grade buddies graduate on Tuesday, May 19th at 5:30. You are welcome and encouraged to attend their special Mass.
- Summer practice packets will be sent home with students on Friday. These will be placed in folders that will be located on their gift table. Please make sure to grab them prior to leaving the gym!
