Letter Sound: c, k, ck /k/

Heart Words: go

Word Family: -ack, -ick

Vocabulary: routine, neighborhood, local, intelligent, volunteer

Grammar: Adjectives

Math: Addition

Writing: I Can Write a Narrative

Social Studies: Classroom Election

Beckett Gouty made his AR goal last week! Great work!

- I received a donation from an SVS parent to get our auction quilt started. I am in need of someone to piece the quilt together. I have an example and the material. I also have someone who has volunteered to quilt and finish it for us. Please let me know ASAP if this is something you are interested and qualified in helping with!
- Students will be coming home with a small packet for their "at-home learning day" tomorrow. Please help them complete their work and return it to school on Wednesday. Feel free to email if you have any questions!
- If you have not signed up for conferences, please choose a time slot from what is available via Sign-Up Genius OR email so we can set up a different time that will work with our schedule. My goal is to meet with ALL families prior to Thanksgiving Break.
- Kindergarten students will begin attending Mass on Friday. We will sit with our 8th grade buddies and they will help students know what to do during Mass. Starting in January, if you would like to attend Mass and sit with your child, we would gladly have you join us! I do ask that if you attend prior to January, that you sit separately to give students a chance to adjust to attending Mass together as a class.
- If you have a classroom library book that is overdue, I will be sending out a reminder with the book title so you can try to locate the book and send it back in. If you are unable to find the book, there will be a small fee so I can replace the book.
- I will also be sending a signup for AR helpers. This volunteer position is about 30 minutes during the school day. You can sign up for a consistent time-slot, or choose to fill in slots randomly as you are available. This volunteer position might also include reading to students who are behind on their reading goals. You MUST have Safe Parish completed prior to volunteering in the classroom.

Important Dates

November 4th: At-Home Learning

Parent-Teacher Conferences
