Caroline made her AR goal

last week! Great work! Only a

few more days until we reach
the end of our 9weeks!

- As the weather begins to change, please send a sweater or jacket with your child. It is helpful if you label the inside tag. This helps us locate items easier when they are misplaced throughout the day.
- If your child is absent, please email myself and Nurse West so we can properly track absences.
- Sierra Norris is leading our Room Parent group this year! She is currently working on our Halloween Party plan. I am attaching the sign up for the party in our weekly email!
- The kids sang beautifully on Friday and it seemed as though the guests enjoyed their time here at school. I always enjoy meeting all of our guests and seeing some familiar faces each year!
- Please make sure to sign up for conferences via the link sent with the Knightly News. I would love to hear from you in order to guide our time together since we only have 15 minutes. Please fill out the survey attached in our weekly email to help me address and concerns or questions you might have about your child's progress or how our classroom works!
- Please get your permission forms and money for the Bledsoe Farms field trip turned in as soon as possible. I will need to work on car placements and will begin checking Safe Parish. If you have not completed Safe Parish prior to the field trip, you will not be permitted to chaperone. I will attach the link in our weekly email.
- Students have been asked to collect fall leaves over break! We will be completing an activity when we return to school!
