- If you send in a sweater or jacket with your child, please make sure to label it. This helps us make sure items get returned to their owner when they are lost!
- With the cold weather approaching, chapstick and lotion can be sent in if your child needs it. Please make sure to label each item with their name. We ask that any lotion sent is very lightly scented and in a small bottle.
- We are in need of small and medium sized Tupperware for Desk Pet housing. If you have any gently used items that could be used for this, we would appreciate the donation! I also need an old tackle box or Kaboodle style container to use as our Pet Hotel.
- November 4th is an eLearning day and will also be utilized as our Parent-Teacher Conferences. Be on the lookout for more information and a sign up!
- October 31st is our Halloween Party. Students will be able to bring in their costume and put it on for the party. Costumes should not be gory, too scary or include weapons. Please ask if you are unsure!
- Averil and Stacy (our head room parents) will be reaching out soon with more information about our party! Be on the lookout for ways you can help!
- This is the last week for students to reach their reading goal by completing 15 books! After Fall Break, we will start the Accelerated Reader program and begin taking AR tests!
