- Nolan, Amelia and Hunter made their AR goals last week! Great work!
- All students are working toward the goal of 3 points and 85% comprehension. Each book is worth 0.5 points. Students who get a comprehension score of 100% would earn full credit toward their goal. If they miss questions, the points earned would decrease. (For example, if a student got 4/5 questions correct, they would earn 0.4 points.)
- If you are interested in helping give AR tests, but are unavailable to help on the same day each week, feel free to reach out the week you are available and I will plug you in if possible!
- We will plan to ride the TASC bus to the Bedford Public Library on Wednesday. We will return to school prior to dismissal.
- If your child is sick, please make sure to email me and Nurse West. Her email is westa@svsbedford.org.
- If your child is playing a sport this fall or winter, please send me the info for their games. I would love to attend if I can!
