What We Are Learning This Week

Religion: God Creates the World

Reading:

Alphabet Boot Camp

Letters: Uu-Zz,

Letter Assessment

Math: Making 3, 4 and 5

Writing: Illustration Unit

Science: Push and Pull

- Last week Trinity, Sonny, and Noah made their goals! Great work!
- This week, students **will not have a homework packet**. I will, however, send home a copy of the Glory Be prayer, a fluency practice sheet, and the permission form.
- Students were able to purchase items with their ClassDojo points on Friday. **If your child purchased a coupon, it will be sent home in their green folder and should be returned on the day they would like to "cash it in".**
- If your child purchased a stuffy pass, please limit the stuffy size to medium/small. If the stuffed animal is too large it becomes a distraction and they have to leave it at the back table.
- I have started assessing some skills we've been practicing in class. Just a reminder, we use standard-based grading in Kindergarten. You will see a letter at the top of their work. M=Mastery, PM=Partial Mastery (needs a little support), and N=Non-mastery (reteach and reassess). These grades will also be entered into Powerschool.
- We are planning to visit the Bedford Public Library on September 16th. Students will ride the TASC bus to and from the library. I will put their permission form in the green folders on Tuesday. Please sign this and return it to school. We will not be taking any parent chaperones on this trip.
- If your child brings a sweater (I keep the thermostat at 70 degrees) please make sure to label the inside tag. This helps us locate items easier when they are misplaced throughout the day.
