- Thank you so much for helping make last week a success! Although I missed seeing all my kinder babies, I know that they were working hard at home.
- We will be sending home AR slips today in the folders. Your child's new goal for this 9 weeks is highlighted. Each book is worth 0.5 points. If they earn a 100% on the test, they will get all points, but if they miss questions they will only receive partial credit.
- Some students tested over their sight word lists during our virtual week. I will review these closely and give out stickers to the kiddos that read fluently with no help.
- The 100th Day of School is approaching quickly! We will be dressing up as if we were 100 years old this year. We will also be doing multiple STEM activities. Please be on the lookout for a donations request list for this day! Students will also be asked to bring in 100 items in a baggie I will send home to use on our bulletin board. This will show students what 100 looks like in different forms.
