Monthly Virtue: Respect

- There is a vision screening consent form in your child's folder today. Please fill this out if you would like them to receive a quick screen on Friday. Students who are already under the care of an eye doctor do not need to be screened.
- The 100th Day of School is next week. Students should bring in their 100 item project. Baggies were sent home last week and should be returned by Friday. Students can wear a shirt with 100 on it or can dress up as if they were 100 years old on this day. Be creative!
- I have attached the sign up for our "Community Helper Basket." We will be sending our basket to Garden Villa to thank the workers for all they do! The students will also make thank you cards to send with the goodies!
- On January 30th, we will kick off Catholic Schools Week with an all-school Mass. Please join us in celebrating together!
- We have a lot of special days coming up in the next few weeks! Make sure to check your calendars and the school newsletter for details!
- We are doing a project for Valentine's Day and each child will need an empty cereal box. Please send one in with your child by February 5th.
- Please make sure to send two masks and a water bottle with your child each day. (Water bottles can stay until the end of the week).
