Annabella and Gunner both made their AR goals last week! Good work, you two!

- As the weather begins to change, please make sure to send warm layers for your child to wear at different times throughout the day. It can be really chilly in the mornings on the playground, and warm by the afternoon. Please make sure to label these items with your child's name or initials so we can identify them if they are left at school.
- I am already noticing chapped lips and dry skin. Students may bring in a tube of chapstick and some lightly scented lotion hand lotion to keep in their table organizer. Please make sure to label it with their first name.
- As cold and flu season approaches, please make sure to monitor any symptoms your child might be experiencing. If you need to send cough drops or medicine, you can check it in with the nurse and it can be administered throughout the school day.
- If your child has overdue classroom library books, I will be sending a slip in their folder with the titles. Please make sure to return these so that they can pick new books.
- Please continue to encourage your child to earn change by helping others around them. This money will be pooled together to bless a child (or a few children) from the Angel Tree at church. This money should be sent in by next Tuesday so that I have time to purchase the gifts.
- I am attaching a sign up for stocking stuffers and the Charlie Brown Feast. Please sign up if you'd like to contribute!
