for this 9 weeks!

Great work!

- Each week, I allow students to check out 2 classroom library books to take home. They bring them home in the colored bags. **Once you have read these with your child, please return them to the classroom so they can choose two new books.**
- Students can take an AR test over a book whenever they are comfortable retelling the story.. **The book can be from home or from the classroom library.** When you feel that they are ready, please fill out a bookmark and send it in their green folder. This will indicate that they have read their books. If you run out of slips, just email and I can send extras home!
- Please make sure you are helping your child with their homework each night. I am pulling students each day to correct their math and many say they have completed it on their own. **The math directions are really tiny at the bottom of the page.**
- If you send in a sweater with your child, please make sure to label it with their initials or name. This will help us find the correct one when things are left behind in the classroom. It will be especially important to label items when the weather turns cold and students are wear jackets and sweatshirts.
- If your child is going to be absent, please make sure to call the school or email office@svsbedford.org before 8:30am to let them know. If they are absent for multiple days, I will send home some work for them to complete and return. If they are absent for a longer period of time, we will make a structured plan and might send home their Chromebook to complete any online work.
- If your child brings a lunchbox, but will also be getting a lunch from school please let me know.
