The SVS family welcomes it's newest member!

Congratulations to big brother Bowen and the Craig family!

MASKS

All students should have at least two masks at school daily.

We are happy to provide masks to students as necessary and to our visitors. However, we are temporarily out of the student sized masks.

Please help us maintain our ability to provide masks on an as needed basis by making sure your child has a mask for school.

Thank you for helping protect the health and safety of our school family!
