

KNIGHTLY NEWS

WEDNESDAY, AUGUST 11TH

923 18TH ST. BEDFORD IN 47421 SVSBEDFORD.ORG

Morning Arrival

Thank you for adhering to protocols for the morning drop-off routine. Our priority is to keep the children safe and get them in the building quickly and efficiently.

- Cars must pull all the way up to the next available spot closest to Entry 1.
- **Children should exit only on the passenger side as soon as the vehicle is stopped.**
- **Parents do not exit the vehicle.** If your child isn't able to exit the car independently, park in the angled spots next to the parish office building and walk the student to Entry 2.
- The safety lane is used for students to walk to either Entry 1 or 2.
- **At no time may a vehicle exit the car line and move around another vehicle. Please follow the traffic pattern until exiting the SVS parking lot.**

A Message From the School Nurse

Thank you to those families who have submitted the student health forms. I will reach out if there is any further clarification necessary.

If you haven't yet submitted the forms please do so by the end of the week if possible.

If you have any questions please feel free to contact me at: westa@svsbedford.org or you may call the office and I can speak to you over the phone. Thank you and I look forward to hearing from you!

Afternoon Dismissal

- Vehicles enter from "I" Street and form six single file lanes starting along the retaining wall in the main parking area (Lane 1).
- Vehicles pull all the way up to the blue line and fill each lane before starting another to ensure maximum use of space.
- Once all students are securely in vehicles, the traffic director releases each lane individually. All vehicles must exit via the lane in front of the Shamrock Center.
- Vehicles waiting on students late to the parking lot must pull up and park in the upper lot and wait to exit until all other vehicles have exited.
- At no time is a vehicle to back out of the parking lot or from the dismissal pattern. Once cars begin to dismiss from the parking lot there is no foot traffic until the walker group is dismissed by the parking lot supervisor.
- Parents who walk up to get a child may not exit, once the dismissal of cars is initiated, until all rolling traffic stops.

Student Illness

- Parents agree to monitor their child's health regularly and notify school regarding any health questions.
- School office must be notified of student absence by a parent.
- School nurse will communicate directly with parents for details regarding illness and school return.

Tuition Worksheets

Tuition worksheets are being completed this week for those who have submitted tax information for the voucher scholarship.

Please let Mrs. Underwood know if you do not qualify or do not plan to apply.

The voucher scholarship is available to students in grades K-8. PK parents may submit tax information for the SGO scholarship.

Stephanie Tincher, the parish bookkeeper, will communicate with each family directly.

Please note: There is no online payment option for SVS. There may have been some statements sent indicating that it was available. That was in error.

Thank you!
