

KNIGHTLY NEWS

MONDAY, AUGUST 15TH

923 18TH ST. BEDFORD IN 47421 SVSBEDFORD.ORG

Welcome to the 2022-23 school year! We're off and running and ready to make our time together meaningful and productive. Like the catchphrase from our first Friendly unit says, we're Better Together!

Please make a point to read the Monday newsletter each week. It's a good source for important information and dates that are relevant to both students and parents.

Thank you for sharing your children with us. Make it a great week!

Teresa Underwood

Morning Arrival

Thank you for adhering to protocols for the morning drop-off routine. Our first priority is to keep the children safe and get them in the building quickly and efficiently.

- Cars must pull all the way up to the next available spot closest to Entry 1.
- **Children should exit only on the passenger side as soon as the vehicle is stopped.**
- **Parents do not exit the vehicle.** If your child isn't able to exit the car independently, please park in the angled spots next to parish office building and walk the student to Entry 2.
- The safety lane is used for students to walk to either entry 1 or 2.
- **At no time may a vehicle exit the car line and move around another vehicle. Please follow the traffic pattern until exiting the SVS parking lot.**

Billing Invoices

All invoices for billing related to Cafeteria and Extended Care are sent home on Monday either electronically or in Monday folder.

Invoices for new 2022-23 Extended Care fees will be prepared and sent next Monday, 8/19. We are navigating the transition away from Jupiter Ed to PowerSchool.

Please be advised that Monday balances reflect activity from the prior week's services in addition to any outstanding balance.
Thank you!

A Message From the School Nurse

Hello Parents and Guardians, Welcome to a new school year.

My name is Anne West-Barr and I am the School Nurse at SVS. If you anticipate that your child will need medicine during the school year, please fill out the medication administration form. For over-the-counter medications such as ibuprofen, acetaminophen, and Tums, it is not necessary to send in an individual bottle.

If your child will be taking a prescribed medication, the school will need a parent or guardian to bring in the medication in a pharmacy bottle with the pharmacy label.

If you have any questions please feel free to contact me at westa@svsbedford.org or you may call the office and I can speak to you over the phone. Thank you and I look forward to hearing from you!

Student Illness

- Parents agree to monitor their child's health regularly and notify school regarding any health questions.
- School office must be notified of student absence by a parent.
- School nurse, Anne West, will communicate directly with parents for details regarding illness and return to school.

Lands' End Gift Cards

Gift cards are in folders today for those who participated in our early registration process. Families who registered and paid fee by the deadline with no outstanding balances qualified for the \$25 incentive.
