

KNIGHTLY NEWS

WEDNESDAY, AUGUST 7TH

923 18TH ST. BEDFORD IN 47421 SVSBEDFORD.ORG

Welcome to SVS!

We all agree this is one of our favorite days of the year. So many smiles and beautiful children. The Faculty/Staff are fired up and ready to go to forward the mission of Catholic education and the success of our school.

God is good and we're happy you're here!

Please make a point to read the Monday newsletter each week. It's a good source for important information and dates that are relevant to both students and parents. Each teacher also provides a classroom newsletter.

Thank you for sharing your child with us!

Morning Arrival

Thank you for adhering to protocols for the morning drop-off routine. Our priority is to keep the children safe and get them in the building quickly and efficiently.

- Cars must pull all the way up to the next available spot closest to Entry 1.
- **Children should exit only on the passenger side as soon as the vehicle is stopped.**
- **Parents do not exit the vehicle.** If your child isn't able to exit the car independently, park in the angled spots next to the parish office building and walk the student to Entry 2.
- The safety lane is used for students to walk to either Entry 1 or 2.
- **At no time may a vehicle exit the car line and move around another vehicle. Please follow the traffic pattern until exiting the SVS parking lot.**

Afternoon Dismissal

- Vehicles enter from "I" Street and form six single file lanes starting along the retaining wall in the main parking area (Lane 1).
- Vehicles pull all the way up to the blue line and fill each lane before starting another to ensure maximum use of space.
- Once all students are securely in vehicles, the traffic director releases each lane individually. All vehicles must exit via the lane in front of the Shamrock Center.
- Vehicles waiting on students late to the parking lot must pull up and park in the upper lot and wait to exit until all other vehicles have exited.
- At no time is a vehicle to back out of the parking lot or from the dismissal pattern. Once cars begin to dismiss from the parking lot there is no foot traffic until the walker group is dismissed by the parking lot supervisor.
- Parents who walk up to get a child may not exit, once the dismissal of cars is initiated, until all rolling traffic stops.

Billing Invoices

Cafeteria and Extended Care balances are communicated at the start of each week electronically or in Monday folders.

Extended Care balances are available in PowerSchool. Hard copy statements are provided at the start of each month.

Monday balances reflect activity from the prior week's services in addition to any outstanding balance.

Please note that Extended Care services may not be used when the account balance is over \$50.

A Message From the School Nurse

Hello Parents and Guardians.
Welcome to a new school

year. My name is Anne West-Barr and I am the School Nurse at SVS. If you anticipate that your child will need medicine during school, please fill out a medication administration form. For OTC medications such as ibuprofen, acetaminophen, and Tums, it is not necessary to send in an individual bottle.

If your child will be taking a prescribed medication, the school will need a parent or guardian to bring in the medication in a pharmacy bottle with the pharmacy label.

If you have any questions please feel free to contact me at westa@svsbedford.org or you may call the office and I can speak to you over the phone. Thank you and I look forward to hearing from you!

Student Illness

- Parents agree to monitor their child's health regularly and notify school regarding any health questions.
- School office must be notified of student absence by a parent.
- School nurse will communicate directly with parents for details regarding illness and school return.

Lands' End Gift Cards

Gift cards are in folders today for those participating in early registration not able to pick up the card on 7/31.

Qualifying families completed the enrollment form and paid the registration fee by the deadline, with no outstanding balances.
